THE ROYAL DAMES' MISSION

It is our fundamental belief that man is not destined to die of cancer.

To this end, the Royal Dames of Cancer Research are dedicated to funding research to find a cure.

A RICH TRADITION SINCE 1969

Since its inception by this philanthropic group of ladies more than 50 years ago, the Royal Dames have joined together with friends and guests for the Tiara Ball, our signature fundraising event. This spectacular annual charity ball, attended by community leaders throughout the tri-county area, is one of the most elegant galas of the season, creating an exciting and profitable evening for the benefit of cancer research. Through this and other events, the Royal Dames have raised almost 4 million dollars to aid, enrich and support valuable educational programs and life-saving, cancer research.

Today we continue the efforts to support the scientific programs at the Rumbaugh–Goodwin Institute for Cancer Research at Nova Southeastern University’s Center for Collaborative Research.

For more information visit <http://www.rgicr.nova.edu>.

We are now planning the **52nd Annual Tiara Ball, “Winter Wonderland,”** chaired by Sophia Mylona. This is our largest and most significant fundraiser of the year and is sure to be a spectacular evening. **This will take place November 19th, 2022 at the Bahia Mar Fort Lauderdale Beach Resort.**

We think that like most people, you believe that eradicating cancer is a worthwhile cause. To reach the breakthroughs for which we strive, please help us fund the critical research efforts at RGI. We hope you will consider an underwriting contribution or general donation to support our efforts to find a cure for one of humankind’s most dreaded diagnoses. Information regarding various underwriting and sponsorship opportunities is enclosed.

We look forward to your support in this endeavor!
